

How the Vixens Saved the School Book Club Party Game Ideas

Vixen, Vixen, Weasel

A group of players sit in a circle, facing inward, while another player, who is "it", walks around tapping or pointing to each player in turn, calling each a "vixen" until finally calling one a "weasel". The "weasel" then rises and tries to tag "it", while "it" tries to return to and sit where the "weasel" had been sitting. If "it" succeeds, the "weasel" becomes "it" and the process begins again. If the "weasel" tags "it", the "weasel" may return to sit in the previous spot and "it" resumes the process.

Coin Scavenger Hunt

Hide coins around the house or yard and send the children around with bags and/or mason jars to collect money to "save the school." Make sure to hide some under rocks like the vixens found in the book.

Pin The Tail on Vicky

Use the attached free printables for this game. Print one Vicky the Vixen body and hang it on the wall at an age appropriate height. Print enough tails to have one for each child, cut them out and add tape or another removable adhesive to the back. Blindfold the children one at a time, spin them around and see who can get the tail closest to the right spot.
